The Economist

Index to volume 297
October to December 1985 inclusive

Page numbers Each entry is followed by three page numbers. The first (in Roman type) refers to UK-printed issues of The Economist, the second (in italics) to American-printed issues, and the third (in square brackets) to Singapore-printed issues. American-printed issues are circulated in the USA, Canada and Mexico, Singapore-printed issues in the Asia/Pacific region, and UK-printed issues in the rest of the world. If you are not sure which issues you have, check the note at the foot of the contents digest, which reads "Printed in the UK" or "Printed in the USA" or "Printed in Singapore"

Section indicators The section of The Economist in which an item appeared is indicated by a letter-code following the page numbers. The codes are as follows:

American Survey
Brief
Letters (**C**orrespondence)
Europe
Finance
International
L **L**eading Articles
M **M**eetings and reports of companies
N **I**N**d**icators
P Business This Week **P**oints
R Book **R**eviews
S **S**urveys
T Science and **T**echnology
U Britain (**U**K)
W **W**orld Business
X E**X**tra

Countries by title Titles of Briefs, Leading Articles and Surveys are listed alphabetically under those headings.

Book reviews are indexed by title (under the heading Book Reviews) and by author/editor (under the heading Authors of Books Reviewed). They are not indexed by subject.
